## Community Giving

KSLN was proud to sponsor Compeer's "Miracle of Friendship-It Takes Two," which raised more than \$90,000 to help Western New York Children and Families. Compeer provides friends and mentors to children, adults and seniors who have a mental health diagnosis. We especially want to thank all of our staff, clients and friends who participated in this year's Ride for Roswell with us. It is because of you that we made it into the top 100 list of teams by raising more than \$9,000.00. To check out our team page which also lists everyone who donated so generously to our riders, [click here](#). We invite you to view our photos from the event [here](#).
